The 3rd Annual Playground Classic

Your chance to be a kid, for a kid.

The Playground Classic has been modeled after a golf tournament but it definitely is not one.

Your team will compete with others in a variety of fun, silly, and tricky mental and physical challenges.

Here's what people say about the event:

"I've been to a lot of events and this was, by far, one of the most original and fun events I've been to in a long time."

George Dunham, Fairway Outdoors

"I'm not telling anyone at the office that I had such a great time - I want to make sure I've got my slot on the team next year."

Alice Stein, HomeTrust Bank

"We are going to win next year. We've already decided who is getting cut and we're already recruiting some ringers."

Joe Bucki, Advantage Printing

Winning Team:
Bank of Asheville
with the traveling
trophy designed by
Steebo.
