Dear Applicant,

Thank you for inquiring about volunteering through the Education Coalition. We are proud of our accomplishments and credit the hard work of our tutors and mentors as well as that of the students. We hope that you can become a part of this good work.

We ask that all adults who choose to work through us, as a volunteer or paid tutor, to seriously consider their schedules, knowing that we strongly encourage a commitment of September - May.

Enclosed is some information about the work that we do and an application to become a tutor or mentor.

We ask that applicants complete and return the one page application along with the following:

1. a resume or letter outlining your experience
2. a one page essay on your interest and approach in working with youth
3. two references

We will contact you when the process starts. Typically placements with a child are made between late September and October.

I hope that we will get to work together and look forward to speaking with you again.

Sincerely,

Elisabeth
